Internationally renowned solar designer and engineer

TIME Magazine's 1999

"Environmental Hero of the Planet"

with

Sunlight is Life

The Path to a Sustainable Future

This multi-media presentation weaves technology, politics and social policy together with humor and compelling graphics to clearly demonstrate that the end of the era of cheap oil is upon us, that renewable energy is ready here and now, and to help define the path to a sustainable future in the post-petroleum world.

Sat., October 14, 2006

7:00 to 9:30 p.m.

Masonic Lodge

373 N. Main, Sebastopol

Donations \$5 to \$15
